Dear Minister:

Re: Jamaican Canadian Association Community Centre

This is a follow-up to our March 1, 1999 correspondence seeking a meeting with you to appraise you on the developments regarding the renovation of our community centre and to discuss with you how your government could assist us in this much needed and worthwhile project.

To date we have not heard from you and while we appreciate that you are currently busy with the campaign, we feel that our request is very important and worthy of a response.

We wish you all the best in the election and look forward to hearing from you soon.

I am enclosing, for your information, our "case for support" document.

Yours truly,

Jamaican Canadian Association

Herman Stewart
President
